## GERMAN DRIVE PROVOKES | FIRMNESS DISPLAYED MODERATE SELLING

New York, April 3.—The broadening of the German drive on the west front provoked moderate selling in the first half-hour of today's stock market. High-grade rails and industrials yielded only fractionally, but specialties offered less resistance to pressure. Oils were particularly heavy. Texa Company losing 3 points and Mexican Petroleum a point. Studebaker led the further recessions in automobile issues, declining about 1½ points with General Motors. Liberty bonds again eased slightly.

A further rally in metal shares infused greater firmness after midday, but extreme dulness prevailed. Utilities such as Western Union and People's Gas gained 1 to 2 points, and Enameling. Distillers and Sumatra Tobacco made like advances

### LAST LAP OF COURSE AT CAMP M'LEAN

Cadets Go Before Board of Officers to Be Sized Up Before Commissioned.

The R. O. T. C. board of officers met Tuesday morning to pass on the eligi-bility of cadets for lieutenancies. Each candidate is summoned before the board and there given an informal examination. The examination, how-ever, is not conclusive, but depends to a great extent upon the recommendations of the company commanders of the R. O. T. C.

Each candidate is graded on five points: Physique, character, leader-ship, intelligence and general value to he service.

The mere fact of pending examinations is sufficient to excite the cadets, but chaos is added to turmell by a rumor that the whole R. O. T. C. is to be picked up bodily and dumped into another training school over in France. This rumor sounds almost fantastic, but, as a matter of fact, this is exactly what happened to a R. O. T. C. battery only last week.

#### 20,000 IRISH POTATOES SEEKING PURCHASERS

The farmers of Morgan county have on hand about 20,000 bushels of potatoes that they would be glad to dispose of and have appealed to Food Admin-istrator Abel to help find purchasers. These farmers had been offered \$1,50 per bushel for the spuds, but wanted \$2. They will now be willing to take 75c and \$1 per bushel for them. Mr. Abel hopes he can dispose of them.

#### SOLDIERS' WITNESS FEES WILL BE PAID PROMPTLY

Judge McReynolds and T. Pope Shepherd made arrangements Tuesday with Circuit Court Clerk Charles L. Hayes and Chief Clerk Fred Frawley, of the county judge's office, to have at-tendance witness fees paid immediately to all soldier witnesses. This was done at the suggestion of Capt. Kenneth Kern, who said that soldiers were leaving Camp Forrest daily and a soldier might be a witness on one day and be ordered to a place of embarkation the following day. Hereafter a soldier witness may claim his attendance and be paid when he leaves the courtroom,

## **HOME ECONOMIC AGENTS** MEET FOR CONFERENCE

Prof. J. W. Abel, county food administrator, opened the meeting of the home economics agents this morning in the county courtroom of the courthouse with a few words of greeting, saying that there was no body of people more welcome in the county and city than the home economics agents. Following the invocation and the remarks by Prof. Abel, Miss Elsie Dugger, general susperintendent for the district, officially opened the conference.

Joe Clift made a patriotic talk re-garding the liberty loan campaign and asked that every delegate take the message home and urge the buying of liberty bonds in their respective neigh-

Miss Virginia P. Moore, state director of home economics, was the first speaker of the conference, taking for her subject "The Purpose of Project Books." Each delegate had one of these boks and Miss Moore went through and gave concise directions to the agents of the subjects under seventy-five different heads.

She particularly emphasized the importance of gardening, poultry-raising, dairying, and raising bees to conserve A project which Miss Moore herself had added was that of fish, and this has been approved by the fish eries bureau at Washington, who also offered to send fish under certain given rules, to stock ponds and streams.

Miss Geneva Conway gave the con-cluding talk of the morning session. This was on "Home Economics," and some very valuable and practical suggestions were made in her talk, espe-cially under the head of serving the school lunch, advocating that schools which have tried to serve warm lunches should be assisted and the method developed, demonstrating to the county what can be done; teaching the proper-selection of food to be taken in the lunch basket or served at school. The object, she explained, in serving a warm dish or lunch at school was to increase the efficiency of the school children. Mrs. R. N. Crane spoke at the after noon session on "Poultry," and Mrs, 'aldwell on "Gardens."

The woman's committee, Council of National Defense, Mrs. M. M. Allison, chairman, has called a mass meeting of women for Friday morning at the be mapped out by the Junior league. It follows will end at the courthouse, where there will be addresses by Mrs. Jane Denny, 2,500,000 trained seldiers in France and state chairman of the committee; Mrs. Alex Caldwell, of Nashville, president State Federation of Women's Clubs: Mrs. W. ## BULLS DISAPPOINTED IN

Chicage, April 9.—Corn displayed a continued tendency to harden today on account of the builish effects looked for from the change of rules whereby on Thursday the commercial grades of corn will become the contract grades. Opening prices which varied from unchanged figures to ½c off. with May \$1.27½6 \$1.27½, were followed by an advance to slightly above yesterday's finish.

Prospects that oats, like corn, would soon be put on a new basis in the matter of contract grades gave some firmness to the oats market.

Strength in the hog market was communicated to provisions.

Prices closed steady at the same as yesterday's finish, with May \$1.27½.
